README.MD

Computer Science major concentrating in cybersecurity with practical experience triaging alerts, investigating phishing activity, and supporting security operations. Blends technical skills with a collaborative mindset built through ISSA leadership and CTF competitions. Ready to contribute as a cybersecurity intern or entry-level analyst.

TECHNOLOGY

Software: Microsoft Defender, Splunk, knowbe4 PhishER, Burp Suite, Sentinel, Docker, Office365 Suite, Excel, Gemini AI, Onspring, Axonius

Systems: Windows, Fedora Linux, Ubuntu Linux

WORK EXPERIENCE

Governance, Risk, and Compliance (GRC) Analyst

Georgia Tech Research Institute | Atlanta, GA | May 2025 – Present

- Supported research teams by providing support with requirements
- Assisted CMMC level 2 framework verification process
- Audited and reviewed policy and firewall rule exemptions
- Provided continuous support in protecting CUI

Threat Intelligence Intern (Part-time / Remote)

Cyber Security Forum Initiative | Washington, DC | Jun 2026 – Present

- Used frameworks like MITRE ATT&CK and the Cyber Kill Chain, to conduct adversary research on regional threat actors
- Produced clear and concise threat reports for both technical and non-technical stakeholders

Cyber Security Intel & Response Apprenticeship

Kennesaw State University | Kennesaw, GA | Sep 2025 – May 2026

- Investigated potential breaches using Microsoft Defender and Splunk
- Researched phishing attempts / created automated PhishER knowbe4 blocking rules
- Created dashboards (and workbooks) in both Splunk and Sentinel for easy to digest information
- Created and managed scans using Burp Suite Enterprise for continuous monitoring

Quality Assurance (QA) Tester

FIXD Automotive Inc. | Atlanta, GA | Jul 2024 – Mar 2025

- Created and maintained QA documentation and procedures
- Ran tolerance and response-time tests to validate performance specs
- Collaborated cross-functionally to ensure complete testing coverage

EDUCATION

B.S. Computer Science

Kennesaw State University

Expected, May 2027,

- 3.17 GPA
- ISSA club president
- Semester abroad, South Korea

CERTIFICATIONS

Compia CySA+

- Fall 2025

Compia Sec+

- Spring 2025

Google Cybersecurity Coursera

- Fall 2024

ACHIEVEMENTS

NCL Cybergames CTF

- Place 1st in the State of GA
- Fall 2024, Spring 2025, Fall 2025

Finalist for CyberStars at SecureWorld for Emerging Stars

- Fall 2025

“The Future of Digital Payments” Seminar Competition

- First Place Winner
- Spring 2025

Eagle Scout

- Boy Scouts of America
- Dec 2020
